You need a backpack or case that’s big enough to fit your devices plus accessories, school or business files, and personal items. You can go big with our roomy and rugged [Core Gaming Backpack](#) or carry your essential gear in style with the Mobile Edge [Graphite Corporate Briefcase](#).

TIP #2: STYLE & COMFORT—Do you prefer to carry your gear by hand, slung over one shoulder, or as a backpack? Are you looking for a [backpack-style bag](#), a [tote](#), or something akin to a

briefcase for [men](#) or [women](#)? Mobile Edge cases feature comfort options such as padded, shock-absorbing shoulder strap systems and ergonomic handles.

TIP #3: MATERIALS—How important are weather resistance and durability? Will you be using the case daily, weekly, monthly, indoors, or outdoors (or both)? Is a small carbon footprint important? All Mobile Edge cases and backpacks are made using only high-grade materials, such as ballistic Nylon, steel fittings, self-healing zippers, and, for our [Eco-Friendly](#) collection, 100% Cotton or DuPont Sorona.

TIP #4. FEATURES

Do you need dedicated storage for more than just your laptop, gaming console, tablet, or smartphone? What about [accessories](#) or even a [mouse](#) or wireless keyboard?
